# The Bulletin

Norwich, Wednesday, Sept. 4, 1918.

## THE WEATHER.

Pressure remains high in the north-west and is again falling in the south-west with resulting rains in the Rocky mountain region, the plains states and the lower Missouri valley.

Low temperatures continue in the north with some frosts and freezing temperatures in North Dakota and extreme northwest Montana. Elsewhere temperatures were moderate.

There will be showers Wednesday in New England, followed by fair weather Thursday. In the middle Atlantic states fair weather will prevail Wednesday and Thursday.

Temperature changes will not be decided and there are no prospects of high temperatures during the remainder of the week over any considerable portion of the country.

Winds for Wednesday and Thursday.

North Atlantic—Moderate south winds, shifting to southwest and west, showers Wednesday, fair Thursday.

Middle Atlantic—Moderate south winds, becoming variable, fair.

# CHAIRMAN FOR FOURTH LIBERTY LOAN

William H. Allen, president of the United National Bank, is to be the chairman for Norwich of the Liberty Loan committee for the fourth Liberty Loan campaign.

C. Royce Ross of New London, the chairman for the southeast section of Connecticut, announced the chairman for all the towns in the county on Tuesday. Charles R. Butts, who has served as chairman in the past two Liberty loan campaigns, declined an appointment for the coming drive, finding that business and other duties would prevent his taking up the duties of the position for another time.

The following are the chairmen for the county: Roxbury, Judson Minor; Colchester, H. P. Buell; East Lyme, James Bathgate; Franklin, A. R. Rice; Griswold, Herbert G. Webster; Groton, Arthur P. Anderson; Lebanon, Karl F. Bishop; Ledyard, William I. Allen; Lisbon, Fred L. Kanna; Lyme, Ernest L. Selden; Norwich, Ralph W. Milner; New London, William H. Allen.

Mr. Allen intends to proceed at once with the organization here for the coming drive, and will probably call the chairmen of the different local committees together this week.

The fourth Liberty loan campaign is looked for to be launched this month and will probably run for three weeks. Just as the call for the loan to be launched this month, the call for the county, the allotment for Norwich will be larger than any before. It has not yet been announced for Norwich but will probably be about \$2,000,000. Norwich will without doubt meet the call in the spirit of patriotic response as before and teach its quota by the time the final returns are handed in.

The following are the chairmen for the county: Roxbury, Judson Minor; Colchester, H. P. Buell; East Lyme, James Bathgate; Franklin, A. R. Rice; Griswold, Herbert G. Webster; Groton, Arthur P. Anderson; Lebanon, Karl F. Bishop; Ledyard, William I. Allen; Lisbon, Fred L. Kanna; Lyme, Ernest L. Selden; Norwich, Ralph W. Milner; New London, William H. Allen.

## WINDSHIELD MARKERS FOR LEBANON PILGRIMS

Windshield markers are being printed for use on automobiles which make the patriotic pilgrimage to Lebanon on September 5, in response to the invitation of the Lebanon war bureau to all Connecticut to visit historic shrines in Lebanon on that day. They are being distributed on a large scale by the Lebanon war bureau.

These markers will say in big letters "En route to Lebanon—Patriotic Pilgrimage to Connecticut's Historic Shrine—Sept. 5, 1918—Approved by Fuel Administrator for Connecticut."

Arrangements have been made by which all war bureaus and town committees of the Connecticut state council of defense will be supplied with these markers for distribution on application. Persons who plan to make the pilgrimage should make application for markers.

On the reverse side of the marker is the following notice: "The United States fuel administration has called upon the public to refrain, until further notice, from the use of gasoline for pleasure riding on Sundays. The patriotic automobile pilgrimage to Lebanon on September 5 has been excepted, with the understanding that those who make the run will refrain from the use of gasoline for pleasure riding for one Sunday after the federal request is rescinded and will aid in every way in encouraging compliance with the government's request."

Much pleasure has been expressed by persons contemplating participation in the pilgrimage at news of the acceptance by the fuel administration, chaplain in chief of the famous French Blue Devils, on an invitation to visit Lebanon on pilgrimage day and speak there in behalf of the republic of France. Father Cabane is an eloquent speaker, a veteran of three years in the trenches, and was sent to America by the French government with the French high command. The close associations of Lafayette and the French army in the Revolution with Lebanon make it especially appropriate that France should be represented in the program at Lebanon on Sept. 5.

## REGISTER UNLESS YOU HAVE PASSED 40

Major John Buckley, state director of the draft, has been asked a number of questions in relation to the age questions in relation to the age limitation for the draft registration next month. From the question, it is evident to the major that there is an impression that persons who have reached the age of 40 years are exempt from the draft. The major said today that the impression was erroneous and that the maximum age of 40 years extended to the forty-sixth birthday. That is to say a person is to be considered within the draft age until he has reached the age of 45 and until he is 46.
